

The Paternoster

Faþir várr er ert á himnum,
 verði nafn þitt heilagt.
 Tilkomi ríki þitt.
 Verði vili þinn
 svá á jörðu sem í himnum.
 Gef oss ok hværn dag brauð vort dagligt
 Ok fyrgefþú oss syndir várar,
 sem vér fyrgefum þeim er við oss hafa misgert.
 Leið oss eigi í freistni
 heldr leysþú oss frá illu.

Assignment: Using your knowledge of the Germanic languages and/or the Paternoster, study the above text until you know which word conveys which sense. Then enter as many words as you can under the appropriate categories below (don't worry about restoring them to their lexical forms). Finally, jot down anything you can learn about word endings overleaf.

Noun	Meaning	Verb	Meaning
